BARCELONA
3-6 July 2018

Workshop Themes

Characteristics of Violent Extremist Offenders (VEO) coming into prisons: definition, assessment, management and reintegration

Exploring 'alternatives to detention': concrete activities and practices that help to develop understanding and competences for working with VEOs

Reimagining Violent Extremism (restoratively): sharing feelings, listening to stories and involving victims as a response to understand radicalisation

Organizers

The **Criminal Justice Platform Europe (CJPE)** is a partnership of three network organisations working in the field of probation, prison and restorative justice:

- **CEP** Confederation of European Probation
www.cep-probation.org
- **EuroPris** European Organisation of Prison and Correctional Services www.europris.org
- **EFRJ** European Forum for Restorative Justice
www.euforumrj.org

This Summer Course is organised in cooperation with the Centre for Legal Studies of the Catalan Department of Justice.
