

EUROPEAN FORUM FOR RESTORATIVE JUSTICE

Connecting People to Restore Just Relations

Annegrete Johanson

BIO

I am from Estonia. I work as service manager in Victim support and my responsibility is RJ and mediation. One field is to develop a system of RJ volunteers. I have studied social work, social pedagogy and child care. Over 14 years I have worked with youth at risk in different fields and gave lecture in the University.

ABSTRACT

In this session there will be an overview of developing RJ in Estonia in last years. Next to developing a system of volunteers, the time of Covid-19 gave opportunity to develop RP more and look outside the box. In Covid-19 time there were restorative discussion-circles online and after restrictions there were restorative discussion-circles in real life. In the presentation there will be storytellings of people who had take part of RP.
